Instruction of Water Word Crosswords

1. Download the document “crosswords_questions “ and open it with MS Excel;
2. There are 100 crossword questions about the water world;
3. Slide the cursor to square with the red triangle and you will see the question and the number of question;
4. Write the answer in squares, one letter in each square;
5. If letter that you wrote is correct it will turn **blue**, if a letter is incorrect – **red**;
6. Try to answer as much as questions you can;
7. When you have finished your crosswords, save it and rename it as your first and last name, for example, john_smith.xls
8. E-mail your crosswords as an attachment to the expert:
beate.jance@gmail.com
9. The deadline is Tuesday, March 20th, noon (12 o'clock)
10. The first 3 participants with the most correct answers will receive a prize.
